## About Us

INFIFUNDWH known as the most trusted **Crypto Whale group, Marketing Agency, Project Incubator, Crypto Analytics Platform** and the main promoter of **INFI MultiChain Platform**. We offer our customers **KYC, Audit** and **Investment strategies**. Cooperating closely with our Strategic Partners, we look to secure everyone who join Inverted Investment as an investor or as a crypto project.

We give advice at no cost to starting up crypto projects in order to protect themselves from scammers. Join our VIP Longe and get in touch with whales and the biggest influencers. Get crypto projects data from different BlockChains and keep your Investment safe using our Crypto Analytics Platform. Read about whales strategies and learn to become one of them.

# Our Vision & Ecosystem

We believe in a safe and transparent crypto trading and Community. All with our effort and with the help our strategic partners we are working to keep crypto space safe and clean. We are focusing on team work as that's the only one way to success.

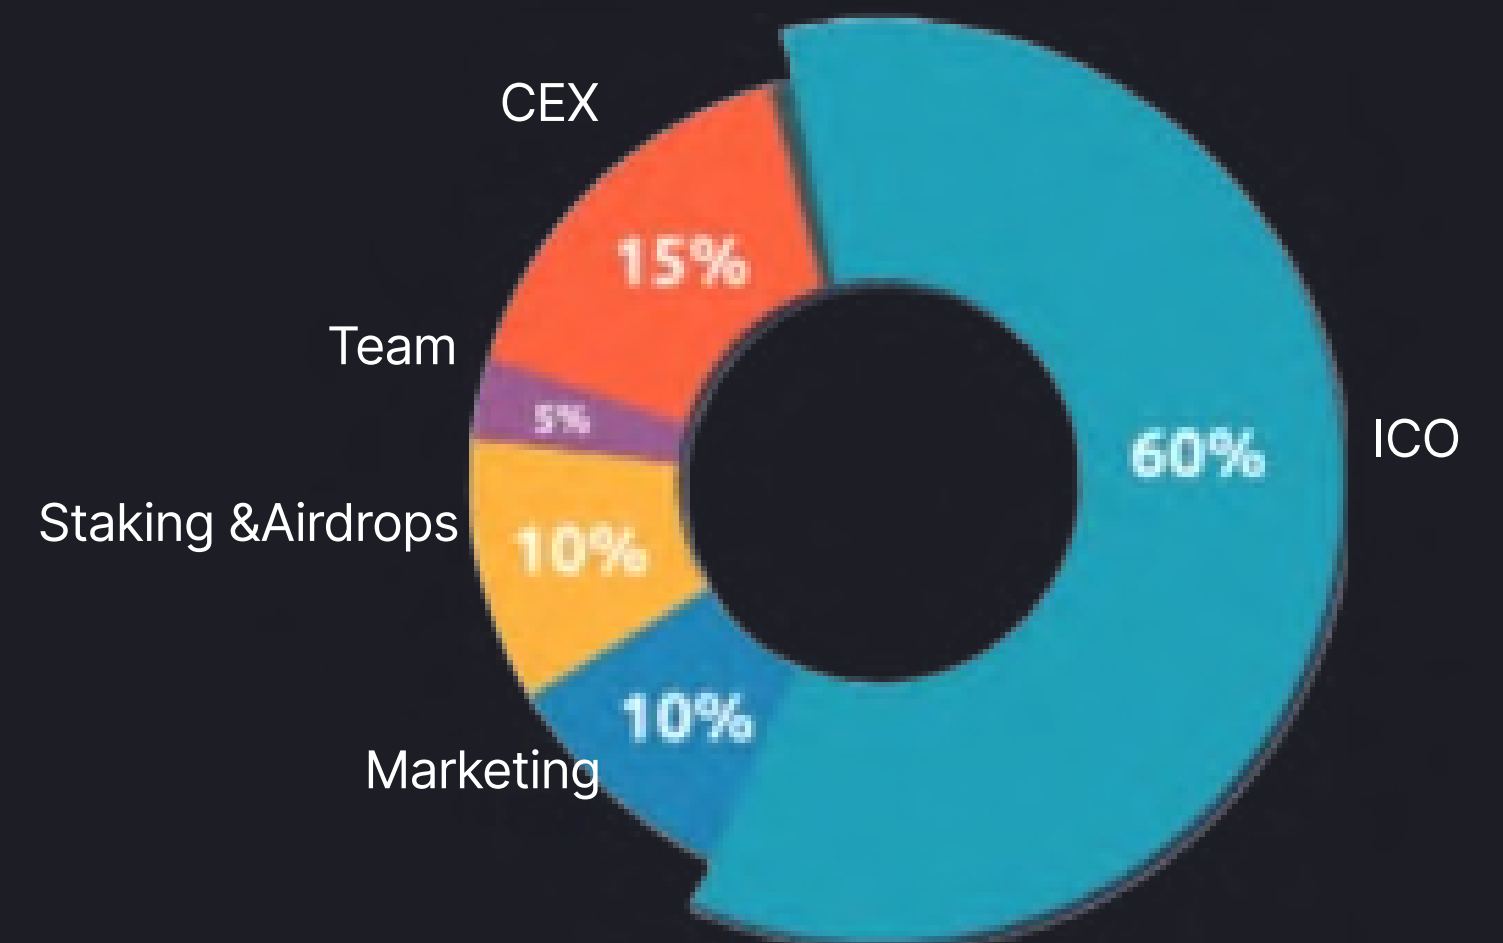

Our ecosystem is based on INFI MultiChain reward system and INFIFUNDWH is the main promoter for the upcoming projects released by ©Inverted Investment. We have a special, INFIFUND Investment Plan where we would share monthly up to 25% from ©Inverted Investment profits for all of those who are part of INFI MultiChain Family Reward Protocol. Please read about our Terms & Conditions in our **INFI MultiChain Holders rewards eligibility** document.
