

!!!IMPORTANT!!!

- We have taken the final snapshots!
- Trading is disabled on PancakeSwap today, May 27, 2023, at 19 PM EST!
- The new INFI allocations will be calculated as follows: old INFI price of 0.0174 USD/INFI and the difference amount what we raise in new INFI! Same token allocation: 400k INFI will go into the new liquidity pool as in the old INFI! The raised money will be as follows: 50% goes into new INFI liquidity (BNB or BUSD) and the other 50% into the SBSE protocol! For example, if we raise \$100K in a new INFI sale, 400K INFI goes into the liquidity pool, and \$50K goes into liquidity in BNB or BUSD! If you had a 50K token allocation in the old INFI, you'll get the exact same token allocation in the new INFI at the current price.
- The new INFI will have a 5% sell/buy tax only! The contract address will be announced 30 minutes before launch. The launch will be at the end of August or October!
- The team will sell the remaining old INFI tokens from the creator wallet: 312,562 old INFI. That will not affect the new INFI price or the new INFI token calculation price/holder as per our final snapshot: 0.0174 USD/INFI. We will put all the money into the SbSe protocol on Cosmos!
- Regarding the passive incomes and BTC rewards: Those INFI holders who want to participate in our reward system have to lock their allocation by sending their token allocation back to the creator wallet, which we will lock on Pinksale! If you do not wish to participate in the reward system, do not lock up your old INFI allocation. If you decided to lock your allocation, please proceed by following the requirements in the steps below! We decided to do it this way to make it more comfortable and cheap for everyone!
- Profit percentage and BTC percentage share will take place every month between the 3rd and 6th calendar days, beginning on June 20, 2023, as per our terms and conditions!

PLEASE DO NOT BUY OLD INFI ON PANCAKESWAP AS YOU RISK TO LOSE YOUR FUNDS! SALE FOR NEW INFI BEGINS IN MAY 2023! EXACTLY DATE AND TIME WILL BE RELEASED OFFICIALLY! MAKE SURE TO FOLLOW US ON SOCIALS!

Creator wallet address: 0xB145CCEAa1b420999A1F629F5Fd2b0A04D6b41c8

Please follow the exact steps:

1. Make sure to have 1–5 dollars' worth of BNB Smart Chain BEP20 in your wallet to cover BNB fees.
2. Click on your INFI in your wallet and choose "Send." For the address, please add 0xB145CCEAa1b420999A1F629F5Fd2b0A04D6b41c8, select the max amount of INFI you have, and do a screen shot, then click send!
3. Add lock period! Chose only one: no lock, 6 months, 18 months, 24 months.
4. SEND THE TRANSACTION HASH and the screenshot to our email address: invertedinvestment@gmail.com.

You're good to go!

Important: DO NOT FALL FOR SCAMS! NO ONE FROM THE TEAM WILL CONTACT YOU FIRST OR ASK FOR FUNDS OR TOKENS AND OFFER YOU HELP BY CONTACTING YOU FIRST!
